<p>Prizes</p> <p>Large: Randomly choose prizes Small:</p>	<p>Volunteers</p> <p>Tickets: One volunteer takes tickets Running the Game: One volunteer helps players “cast” their line, reel it in, and detach prizes. Prizes: One volunteer (the fish) is behind the wall, attaching prizes to the end of the lines.</p>
<p>Key Rules</p> <p>Mix the prizes up during each shift.</p>	<p>Running the Game</p> <p>Allow each player to “cast” their fishing line into the ocean (over the wall). Instruct players to “reel in” their fish when they feel it tug on their line. Assist them if necessary – this is not a skill game. Players keep the prize clipped to the end of their line. Don’t let players cast their lines too hard – the “fish” might get hurt!</p> <p>Fish Volunteer: Be sure to mix up the prizes so that players won’t know what prize to expect each time they play.</p>
