

## COMMON LANGUAGE FOR SPECIAL CODES IN PARENT PORTAL

Special Score or "Red Flag" Comment	Score Parents Will See	EFFECT ON STUDENT GRADE	INTERPRETATION OF SCORE
None	0	0 POINTS	Used to show that a student did the work poorly and earned "zero" points.
Missing	mi or 0	0 POINTS	Used only for assignments not turned in on due date. If teachers enter "mi" then the assignment may be accepted late for partial credit. If the score entered is "0" then the teacher does not accept missing work for credit.
Cheated	Ch	0 POINTS	Used when student cheated on an assignment.
Late	Partial credit score or 0.	The code does not lower the grade unless the teacher enters a lower grade or "0."	Used to indicate that the assignment was <b>late</b> , explaining why a score is lower or why a "0" was given. If the score entered is "0" then the teacher does not accept missing work for credit.
Incomplete	Partial credit score or 0.	The code does not lower the grade unless the teacher enters a lower grade or "0."	Used to indicate that the assignment was <b>incomplete</b> , explaining why a score is lower or why a "0" was given. If the score entered is "0" then the teacher does not accept incomplete work for credit.
