## **Urgent! Message from the Tech Team**

- This summer (June) all the current student folders on the MVHS server are going to be deleted and will be replaced by new ones in July.
- Our recommendation is for the students to bring a CD to school and burn whatever files in their folder they want to keep or bring a flash drive that they can save the files to.
- If they don't want to keep anything they can either delete everything in their folder or leave it there and it will be deleted in June.
- All the computer lab computers (U428, U528, U328, L428, L528) and the LMC are able to burn CDs. **The LMC is open to 3:30 every afternoon and library personnel will be able to help students with this project.**

## **Chinese Lab**

- Every Wednesday and Thursday at 2:30 – 3:15 pm in room #U405. This is for anyone that needs extra help in learning Chinese.

## **Math Lab**

- Every Monday, Tuesday and Thursday at 2:35 – 3:35 pm in room L403. Come get extra help with your math.

## **Writing Lab**
