01/01/04	This database is maintained by volunteers. Updating of information is an ongoing process. Websites are constantly updated and deadlines are frequently changed. Website addresses are provided whenever possible so you can go to each one to check for complete information. The scholarship websites are usually updated 2 or 3 months before the deadline.			A	The notebook in the Post Grad Center is updated periodically. New scholarships are added to the database as they are discovered. Please check the " List of New Scholarships added to the database" for these. The "Current List" is the list of scholarships with deadlines that are coming up in the near future that the students have direct access to in the Post Graduate Center. The Complete database is listed in two forms. One is alphabetical and the other is sorted by "interest area."All of this information is accessible on the Counseling Website and Naviance.
