

# Poster Guidelines

Posters are an important part of PHS spirit!

It is a great way to advertise an activity or club, an event, team, a candidate, etc. The following are a few guidelines to keep in mind when making those creative posters.

- All posters, hand-made or professionally made, must be cleared and stamped by the Athletic/Activities Office.
  - Appropriateness, punctuation, correct dates, spelling, etc. will be checked.
  - Posters may be brought to the Athletic/Activities Office before or after school for approval.
- Posters can be displayed on cork rail strips only.
- The group, team, or individual is responsible for taking down posters the day after the event.
- If posters are not approved, they will be removed.

Following these guidelines will help keep the halls of PHS looking neat and sharp!
