Offers and prices may vary from one studio to another. They invite you to call or visit for details. On our list you will find full studios with the capability to take about any type of photo you could imagine, as well as individuals who work from their homes and schedule pictures on-location. These are local photographers located in the Denver, Parker, Castle Rock, and Franktown areas. We provide this list as a service to you and our local businesses. The Ponderosa High School Yearbook Staff has NOT interviewed these photographers nor visited their studios.

## All Seniors must follow these guidelines:

- Wallet size photo (2 1/2" x 3 1/2" or 2" x 3")
- 1/2" from bridge of nose to chin
- Waist up pose.
- Senior clothing and jewelry must fit school dress code guidelines.
- Senior must be centered in the photo with both eyes visible.
- No soft focus or vignette are allowed.
- No props (animals, hats, cars, sunglasses, or additional people in photo).
- Knees cannot be visible in photo.
- Simple, uncluttered background is best.
- Outdoor photographs are preferred.

## What are my Senior Picture Options?

### OPTION 1

Use one of the Local Photographers who have contracted with Ponderosa to help you with this special once-in-a-lifetime photo. They will ensure that your portrait gets to us on time and meets the requirements. Are you aware that you can request a sitting for the yearbook picture only? If you choose to use a photographer not on the list, make sure you provide them with a copy of the senior photo specifications which can be found on Ponderosa's website. There is a \$10 handling fee, but most photographers will collect this from you and then pay Ponderosa.

### OPTION 2

Have your portrait taken at school for \$35. **THE \$35 IS ONLY FOR THE PICTURE THAT GOES IN THE BOOK. THE COST DOES NOT INCLUDE A PHOTO PACKAGE.** We will schedule photographers after school August 25-27 and September 1-2. Signup sheets will be available in the Athletic Office starting August 17. These photos will be taken outdoors on campus and the photographer will choose the best one of several shots. The \$35 is due before the photo is taken. **YOU MAY NOT PAY THE FEE AT REGISTRATION. THE FEE CAN BE PAID ONCE YOU SIGN UP.** The photos will be saved by the photographer should you decide to later order portraits. There is no handling fee for Option 2.

### LATE PHOTOS

**Photos received after September 4 are NOT guaranteed a spot. A late charge of at least \$75 per page WILL be charged to fit the photo alphabetically into the senior section.**

**FINAL NOTE: THE ID PHOTO TAKEN AT REGISTRATION IS UNAVAILABLE FOR OUR USE. IN ORDER TO INCLUDE YOUR SENIOR'S PHOTO IN THE YEARBOOK, YOU MUST EITHER CHOOSE ONE OF THE ABOVE TWO OPTIONS OR FIND A PHOTOGRAPHER WHO FOLLOWS THE LISTED GUIDELINES.**
