

Health Insurance for Kids

Your Child Could Qualify
For Free or Low Cost Health Insurance

Kids 18 and under may be eligible for free or low cost insurance through Child Health Plan Plus (CHP+):

kids with single parents
kids with working parents
kids who are emancipated

kids with two parents
kids living with grandparents
kids living with guardians

The Insurance Covers:

doctor and nurse visits
counseling
hospital care

dental visits
physical therapy
eyeglasses

prescriptions
speech therapy
immunizations

Certain expenses, with verification, may be deducted from a family's gross income, so families can make more than this and still qualify for CHP+:

FAMILY SIZE	MONTHLY INCOME
1	\$ 1,702
2	\$ 2,282
3	\$ 2,862
4	\$ 3,442
5	\$ 4,022
6	\$ 4,602
